He prepared a proclamation of appreciation for him that he read aloud. Councilman Cartabona reported an update on the 2011-2016 sanitary sewer system. He also stated that he needs to get the air quality permit to the Municipal Clerk. Councilman Cartabona stated that he had 3 responses to the emergency equipment operator position and would like 5 minutes in executive session for personnel.

In closing, Councilman Cartabona approves bills, salaries and wages for his department.

Mayor: Mayor Dunwell gave a briefing on a meeting he had on December 23rd with Carrie Pflug; Director of New Jersey DEP. She is meeting with municipalities and ours is the 100th that she's met with. During the meeting, open space issues were discussed and he also asked her for assistance with the Green Acres grant. Mayor Dunwell also discussed with her the Homa Lane drainage project and firm capacity. They also spoke of the landfill disturbance permit and transfer station for recyclables.

Mayor Dunwell discussed about how our meetings are conducted going further. There have been issues with making appointments and library board appointments. He stated that our meetings should be run with decorum, and we will not entertain things that were entertained last year.

Mayor Dunwell requested the following for executive session:

15 minutes – Personnel/Salary Ranges

Police Department, Captain Stettner: Captain Stettner stated that there is racing around in park and they would like to come to a resolution on this issue. There are a lot of rumors of who it is. Mayor Dunwell added that he would like to put a snow fence up to deter the issue. Councilman Cartabona inquired about putting up low tech cameras and asked if that would be a problem with the Police Department.

Engineer, Frank Seney: Mr. Seney distributed the 2016 report. He stated that the municipal aide is back now. He went on to explain that the fund has doubled to 140 million dollars and that Warren County may see an increase in funding. Mr. Seney also inquired about

approving a meeting in January to discuss funding for roads in the borough. Previously it had been stated that it would be for the western end of North Boulevard, and to include some sidewalk. Two applications will be submitted for the two roads to get done. Mr. Seney also discussed that other projects including roads 2-3 are done. He went on to explain that the fire house generator will receive new service the week of the ninth. Mr. Seney also stated that the Schley Avenue sidewalk is completed and that 23456 can be removed.

Mr. Seney reported that a change order is in effect for 6th Avenue into the contract. The change order will be by resolution for most supplemental items. Mr. Seney stated that the contract amount is \$675, 497.31 total with change order. The change order amount is \$19,090.75.

Mr. Seney briefly reported that the Homa Lane drain project plans are completed, but the engineer report for DEP application needs to be completed. He went on to discuss thoughts about planting on open space purchases and using some open space to plant on it.

Mr. Seney also stated that the material for Benke Field will be in this week. They will be installing framing for bleachers, dug out and pavilion after the first of the year.

Mr. Seney discussed the water project and stated that the utility will start after the first of the year and the redundancy will return January 2nd to start back up. He also advised that Stephanie was promoted to senior associate and that he received 25 years with R&V.

Attorney, Christopher Troxell: No report.

Mr. Troxell requested the following for executive session:

2 minutes – Contractual

Sewer Engineer, Jim Hill: Mr. Hill gave his report from the 22nd. He gave an update that the grouting point repairs are done and he submitted final inventory from Oswald. Mr. Hill also stated that the pump station was waiting for delivery of the tank and it should be completed by the 10th. He gave estimates for the alarms for 2017 budget. Mr. Hill distributed reports of the completed work since 2011.

At this time Councilman Schwar made a comment about meeting with Deangelo from Trane and he requested payment from last council meeting. They worked out some numbers and came up with a number that concurred with him. Councilman Schwar emailed it to him asking that he respond and verify and he failed to respond. He will not release until he confirms.

Attorney Troxell suggested to try calling him as well as emailing.

Recycling Coordinator, Tom Fey: Mr. Fey stated that by April he may be submitting reports to Trenton. He inquired about what was going on at the dumpster by the pool. Mayor Dunwell commented that the issue was not resolved and asked Mr. Fey to contact LMR for materials.

Code Enforcement Officer, Tom Fey: Mr. Fey updated the council about court hearings. Last Wednesday Mr. Fey had to go and testify for Mr. Adolesse on West Vulcanite. Mr. Hais garage pleaded guilty and he was given another 90 days. Also, Mr. Smogi pleaded not guilty but that issue is still being investigated. Ascolese (sp) was found guilty and fined. He refused offer on a payment plan and was hauled to jail.

Library, Steve Knoll: No report.

Fire Department, Fire Chief Sean McDyer: Chief McDyer reported that there were 14 calls in November. He also reported that the Santa breakfast went very well as well as Santa on the fire truck.
