

Please be advised that the Chesapeake Bay Helicopters will be conducting JCP&L's Spring Transmission Aerial Patrol. These inspections are scheduled to begin May 15th and typically require approximately 2 weeks to complete depending on weather conditions.

**The helicopters will be flying slowly (20-30 mph) along the lines, and may hover at any time for a closer inspection. The helicopters scheduled for these patrols are a black Hughes MD500 with registration (tail) number N748CB and a Black and Silver Hughes MD500 with registration (tail) number N90TJ.**
